

- Use on concrete, stone, masonry, ductile iron pipe, cast iron pipe and more.
- Most versatile gas-powered saw.
- New piston and cylinder lowers engine temperature.
- Longer life muffler with reinforced internal baffle.
- Easy to start with higher energy ignition system.
- New easy to tune carburetor.

The power grit pipe clamp brings a new level of safety, accuracy and ease of use to the job. Mount the chain saw to this clamp to reduce the effort of handling the saw dramatically. It provides a solid and stable cutting platform that improve the operator safety and the precision of the cut.
